

Australian/New Zealand/United Kingdom Applicant Requirements

Veterinary Practitioner - Full Registration Section 21(1)(a)

Applicant Requirements

Applicants are required to:

- Satisfy the Board of current registration as a Veterinary Practitioner under an Act regulating the practise of Veterinary Science under any other authority and of entitlement to practise under that authority.
- Satisfy the Board that the qualification in respect of which the person gained registration under the other authority is of a standard substantially equivalent to the qualifications prescribed under Section 21 (see Board's Policy on Registration and Acceptable Qualifications).

Checklist of Required Documentation

- Application for Registration** – *Form 1*.
- Declaration** – *Form 1D*.
- Letter of Professional Standing (LOPS)** – requested from current/last Board, if this is not available, evidence of current registration or entitlement to practise under another registering authority. If you have not practiced as a veterinary practitioner since graduation or last registration you must submit a written statement confirming this.
- Copy of Degree*** – needs to be certified. *A translation of non-English degrees is required.*
- Proof of Date of Birth*** – birth certificate, driver's license or current passport.
- Photograph** – of the applicant (any size) which must be *signed on the back* by the applicant.

* Please view **Applicaton for Registration (Form 1)**, for a list of acceptable certifiers.
