

Graduate Applicant Requirements

Veterinary Practitioner - Full Registration Section 21(1)(a)

Acceptable University Qualifications

Applicants who are graduates from the following Universities are eligible for full registration:

Australia • University of Sydney • University of Melbourne • University of Queensland
• Murdoch University • University of Western Australia

New Zealand • Massey University

United Kingdom • University of Bristol • University of Cambridge
• University of Liverpool • Royal Veterinary College, London
• University of Glasgow • University of Edinburgh

Checklist of Required Documentation

- Application for Registration – Form 1.**
- Declaration – Form 1D.**
- Copy of Degree*** – graduates registering prior to graduation satisfy this requirement by inclusion on the Dean's List which is forwarded directly to this Board. When you receive your degree, a certified copy needs to be sent to the Board's office so that you may be granted Full Registration. A translation of non-English degrees is required.
- Proof of Date of Birth*** – birth certificate, driver's license or current passport.
- Photograph** – of the applicant (any size) which must be *signed on the back* by the applicant.

* Please view **Application for Registration (Form 1)**, for a list of acceptable certifiers.

Notes

The Board may impose conditions on registration at any time pursuant to Section 19 if it is satisfied that the condition is warranted having regard to the provisions of any law affecting veterinary practitioners or the practice of veterinary science, the safety or health of any person, the health or welfare of any animals or damage to the international reputation of Australia in relation to animal experts, animal welfare, animal produce or sporting events.
